

Grasshopper Football Club GFC Teams

Player Registration Instructions – 2011-12

1) Team Registration. Enter the GFC Online Registration system via the link below. Create parent and child accounts in the system if you don't already have them. Click on "Register Now" next to the player account. Select the relevant team program (age range and season). Then select age division. Answer the questions as prompted by the system. The system automatically applies a \$25 late fee to registrations submitted 15 days after the due date.

2) Uniform Order. Enter the Champion's Choice equipment order system via the link below. Create an account under parent. To place an order for a player, enter the system using the "Team Code" for that player's GFC team. You will then see the required & optional equipment for that team. To view and order equipment for a player on another GFC team, you will have to change the team code under General Information. Placing orders under the correct team code is important in order to view the correct equipment for a given team, and to ensure that equipment can be delivered to the correct coach/manager. Delivery during specified times of the year can also be made directly to the family for an additional charge. Team codes for each gender/age-group are listed below. The system automatically applies a \$25 late fee to equipment orders placed after the expiration date listed.
